The Mass Cultural Council is a state agency that promotes excellence, inclusion, education, and diversity in the arts, humanities, and sciences, fosters a rich cultural life for all Massachusetts residents, and contributes to the vitality of their communities and economy. The Council pursues this mission through a wide range of grants, initiatives, and advocacy for artists, communities, organizations, and schools. They believe in the power of culture. Working through the arts, humanities, and sciences, culture is a dynamic force for enriching communities, growing the economy, increasing accessibility, and fostering individual creativity. Culture is intrinsically valuable and unique in its ability to lift the human spirit. They recognize the essential role that a rich cultural life plays in communities and the lives of individuals. They partner with artists, communities, organizations, and schools to unleash the power of culture across the Commonwealth.
